2. Any police officer, sheriff’s deputy, county traffic patrolman, state traffic officer or conservation warden who discovers any abandoned motor vehicle, trailer, semi-trailer, or mobile home on any public highway or private or public property, shall promptly cause the vehicle to be removed to a suitable place of impoundment. Upon removal of the vehicle the officer or warden shall notify the Village code Enforcement officer of the abandonment and of the location of the impounded vehicle.

4. Any vehicle which is deemed abandoned by a duly authorized Village representative and not disposed of under subparagraph 1. shall be retained in storage for a minimum period of 10 days after certified mail notice has been sent to the owner and lien holders of record, or after exhausting other reasonable practicable steps, to permit reclamation of the vehicle after payment of accrued charges. Such notice shall set forth the year, make, model and serial number of the abandoned motor vehicle, the place where the vehicle is being held, and shall inform the owner and any lien holders of their right to reclaim the vehicle. The notice shall state that the failure of

the owner or lien holders to exercise their rights to reclaim the vehicle under this section shall be deemed a waiver of all right, title, and interest in the vehicle and a consent to the sale of the vehicle. Each retained vehicle not reclaimed by its owner or lien holder may be sold. The village may dispose of the vehicle by sealed bid or auction sale. At such sale the highest bid for any such motor vehicle shall be accepted unless the same is deemed inadequate by a duly authorized Village representative, in which event all bids may be rejected. If all bids are rejected or no bid is received, the Village may either re-advertise the sale, adjourn the sale to a definite date, sell the motor vehicle at a private sale, or junk the vehicle. Any interested person may offer bids on each abandoned vehicle to be sold. A public notice shall be posted at the Village Hall, and published in the official newspaper as a Class I notice, at least 10 days prior to the sale. The posting of the notice shall be in the same form as the certified mail notice sent to the owner or lien holders of record. Upon sale of an abandoned vehicle, the Village shall supply the purchaser with a completed form designed by the Wisconsin Department of Motor Vehicles enabling the purchaser to obtain a regular certificate of title for the vehicle. The purchaser shall have 10 days to remove the vehicle from the storage area but shall pay a storage fee as outlined in Section 8.10 for each day the vehicle remains in storage after the 2nd business day subsequent to the sale date. If the purchaser has not removed the vehicle within 10 days after the sale, the purchaser shall forfeit all interest in the vehicle and the vehicle shall be deemed to be abandoned and may be sold again. Any listing of vehicles to be sold by the Village shall be made available to any interested person or organization which makes a written request for such list, upon payment of a fee as set out in Section 8.10. Payment made by defaulting purchaser shall be retained by the Village as liquidation damages.
