

Project I.D. 4085-39-00
C De Pere, Broadway Street
(Randall Avenue – NPL)
STH 57
Brown County

Project I.D. 4085-38-00
Village of Allouez, Riverside Drive
S. Village Limits – N. Village Limits
STH 57
Brown County

You are invited to attend the Community Sensitive Solutions (CSS) workshop for the above subject projects. The meeting will be held at the following time and location:

When: Thursday, March 13th at 4:00 p.m.
Where: Allouez Village Hall
1900 Libel Street
Green Bay, WI 54301

The Wisconsin Department of Transportation (WisDOT), is in the process of developing plans for the proposed projects located on WIS 57 from north of the intersection of Randall Avenue in the City of De Pere, to the north village limit in the Village of Allouez, Brown County. Attached is a map of the project location. The project will consist of reconstructing the existing urban section to address the pavement condition, evaluating the operational and safety needs of the roadway, providing accommodations for non-motorized transportation users, and replacing underlying utilities. The anticipated project length is 3.37 miles and new right-of-way is expected to be needed for the project. The project is currently scheduled for a letting on December 12, 2017.

The purpose of this meeting is to introduce the committee to CSS concepts and to begin discussion about possible features that could be applied along the corridor. A draft agenda for this meeting is attached. At the end of this meeting we will discuss dates for future meetings.

If you are unable to attend the meeting, please let us know.

Please contact me or John Rathke at 920-496-0500 if you have any questions.

Thank you,

Christopher Rossmiller P.E. | Project Manager, Transportation
