Fr: Trevor Fuller, Planning and Zoning Administrator

Re: DISCUSSION OF FEEDBACK FROM NATIONAL REGISTER OPEN HOUSE

Date: February 20, 2015

The Historic Preservation Committee hosted an open house on December 3<sup>rd</sup> at Webster Elementary School. The open house was an opportunity for property owners whose properties are eligible for the National Register to hear about the benefits and next steps of having a property listed on the National Register.

The committee was hoping to gage which eligible listings had the most support or interest in listing on the National Register. The open house had a good mix of residents from each eligible district, as well as a few individually eligible property owners. Below represents the interest from each eligible area:

- Miramar District: 4
- Robinson Hill District: 4
- Sunset Circle: 1
- Individual: 2

In considering a grant to nominate an eligible listing, staff recommends moving forward with the Miramar District, as the number reflects the highest percentage representing a district, and possibly the individual listings as well. The Historic Preservation Committee is asked to discuss which eligible listing to pursue next and when to invite a representative from the Wisconsin Historical Society to talk to a specific district.
