

Memo

To: Village Board
Fr: Craig Berndt
Re: Award of Construction Contract for SDWF Water Main Replacement Project
Date: March 12, 2015

The Safe Drinking Water Fund (SDWF) AL-2015-1 Water Main Replacement Project was bid on Thursday morning March 12, 2015.

The result of the bidding is attached. The low bidder is Dave Tenor Construction at a bid of \$2,257,762.85.

The engineer's estimate of probable construction cost (ie, our prebid estimate) was \$2,470,000 – which the actual bid is below this estimate by about \$213,000. This project includes the water main project and also completing the reconstruction of Miramar/Bordeaux Rue/Meadow Lane (these three streets funded from 2015 budgeted funds).

It is recommended that the Village Board approve signing the construction contract for this project at this board meeting.

The signed construction contract must be submitted to the WDNR shortly after the board meeting to meet the desired schedule for the bond issuance.

The final Financial Assistance Agreement (FAA) will be returned to the village in late April for signature the first village board meeting in May. Funds will then be available for project construction cost reimbursement on May 21st. About that time the first construction payment to the contractor would be required.

The bond will be a 1.625% interest rate, which is lower than the first bond issue for the first water main project a few years ago.
