- ◆ 2001-Present Committee Member of the Green Bay Development Committee
- ◆ 1986-1991 Economic Development Partner; promote fiscal responsibility and job growth

Education:

St. John the Baptist Graduate
Bayport High School Graduate
University of Green Bay Graduate

Current Occupation:

Goelz Group LLC ~ Development and Consulting Group

Reason for running:

As a longtime resident I will commit to keeping the village a great place to Live, Work and Play while pledging to keep property taxes, as well as sewer and water rates down.

Unique Qualities that makes you a top candidate:

As a successful small business owner and 23-year village resident, I will promote and attract small businesses to the village. I will also charter a President’s Advisory Council to seek advice and connect with our citizens on key current and future issues.

Three top issues/concerns regarding the village and proposed actions:

Issues/Concerns

1. Hold Down Property Taxes, and Sewer and Water Rates.

I will investigate, and if necessary, negotiate a cost-effective plan for the future water and sewer rates of Allouez residents. I pledge to continue superior services at the best value.

2. Return \$704,677.00 of Excess Sales Tax Money to YOU the Taxpayers.

I will push for \$704,677.00 to be used for property tax relief and village debt reduction. This taxpayer money should NOT be used for special interest groups.

3. Public Safety / Traffic and Rescue Improvements.

I believe Allouez needs an additional traffic enforcement officer to help improve the safety of our neighborhoods. Ticket revenue will help pay for the new officer. We must find solutions to the problem areas of Allouez.

I would enjoy discussing any issue you would like to voice to me. I encourage you to contact me via email: campgoelz@gmail.com. I can also be reached at (920) 360-6400.

2016 New Year Blessings to You All,

Jeff Goelz
