

**Updated information is listed in black.**

## **Brown County**

### **City of De Pere – Village of Allouez**

**Schedule:** May 23<sup>rd</sup> to August 5<sup>th</sup>, 2016.

**Length:** 3.2 Miles

**Cost:** \$1.6 million

**Location:** STH 57 from Randall Ave to Grignon St

**Description of project:** This project is the mill, underseal and overlay of STH 57 (Riverside Drive). The project also includes the repair of inlets, signing and pavement marking.

#### **May 31 – June 4:**

Milling, undersealing and asphalt paving operations will begin for the southbound lanes of STH 57. Both SB STH 57 lanes are projected to be paved from Grignon St to Lazarre Ave. by the end of the day Saturday June 4<sup>th</sup>.

#### **June 6 – June 10:**

Pavement marking will be installed on the paved southbound STH 57 lanes from Grignon St to Lazarre Ave. Sawing operations will begin on the sideroads and at inlet repair locations along northbound and southbound STH 57. Inlets, manholes and curb and gutter will be repaired along the northbound outside lane of STH 57 from Lazarre Ave to Grignon St. Inlets, manholes and curb and gutter will also be repaired along the southbound outside lane of STH 57 between STH 172 and Randall Ave.

#### **Traffic Impacts:**

Southbound STH 57 outside lane is closed from Grignon St. to Lazarre Ave. until both southbound lanes of STH 57 are paved.

The week of May 31<sup>st</sup> during non peak hours (9 AM to 4 PM) northbound traffic between STH 172 and Grignon St. will be reduced to one lane and southbound traffic will be shifted over to the northbound side of STH 57 to complete work operations on both southbound lanes. Southbound traffic will be driving on the milled or chip sealed pavement for portions of this stage.

The week of June 6<sup>th</sup> the southbound STH 57 outside lane will be closed from STH 172 to Randall Ave and the northbound STH 57 outside lane will be closed from Lazarre Ave to Grignon St to complete inlet and manhole repairs.

Note: A business meeting is scheduled for Monday June 13<sup>th</sup> at 2:00 PM at the Allouez Village Hall.

Project information is also updated weekly on the following website:
