

## **2017 National Public Works Week**

### **May 21-27, 2017**

---

This year National Public Works Week celebrates the vital role public works plays in connecting us all together. As the cornerstone of civilization, public works provides, maintains, and improves the structures and services that assure a higher quality of life for our communities. Its streets, roads, bridges, and public transportation keep us linked together from coast to coast, and its clean water and sanitation services keep us healthy and allow our communities to grow and prosper. APWA proudly salutes and thanks the tens of thousands of public works professionals who work tirelessly throughout North America every day to strengthen the bond that keeps us all connected.
