

# Memo

To: Historic Preservation Committee, Village Board

Fr: Trevor Fuller, Planning and Zoning Administrator

Re: APPROVAL OF PROCLAMATION, RECOGNIZING MAY AS HISTORIC PRESERVATION MONTH

Date: 20 April 2018

May is recognized by the National Parks Service and the Wisconsin Historical Society, as Historic Preservation Month. Last year, the village approved a proclamation, recognizing May as Allouez Historic Preservation Month, as well as provided a tour and dedication ceremony of the Allouez Community Center (historically known as Allouez Town Hall) for the public.

Attached is a proclamation recognizing May 2018 as Historic Preservation Month. The Historic Preservation Committee is asked to review and discuss the proclamation before being sent to the Village Board.

The Historic Preservation Committee is asked to discuss other possible ways and events to promote Historic Preservation Month.
