CERTIFICATE OF APPROPRIATENESS GUIDELINES

When is a Certificate of Appropriateness needed?

- A Certificate of Appropriateness is needed if the Village of Allouez has locally designated a site, structure, or district as historic and there are plans for reconstructing, altering, or demolishing any part of the exterior of a property, or when constructing/improving the property.
- A Certificate is not needed if a site, structure or district has been designated as historic nationally and/or by Wisconsin, but not locally designated by the Village of Allouez.
- A Certificate is not needed if a site or structure is not historically designated at all.

What information should be included with this application?

- The following requirements are identified in *Section 5* of this application:
 - Project Description Summary: Describe each item of the project separately, including existing conditions, the proposed work, materials to be used, the impact the item would have on existing historic or architectural features of the property, and proposed project phases (if applicable).
 - Site plan showing location of the project, North indicator, all structures and fences on the property, and approximate dimensions.
 - Sketches, drawings, building and streetscape elevations, and/or annotated photographs of all affected areas and sides of the building.
 - List and/or provide materials, design, and color samples.
- It is not required that the above information be included if it has already been provided to the Village of Allouez with another recent permit application. Simply reference the specific permit application where the information can be found.

What is the review timeline and procedure?

- Certificate of Appropriateness application review will occur within 30 days
 - The Village of Allouez Building Inspector and Planning and Zoning Administrator will assist the petitioner when determining if a Certificate of Appropriateness is needed. Staff will also assist by previewing submitted information for completeness.
 - The application and information will be reviewed for approval by the Historic Preservation Commission (HPC) at the next available HPC meeting.
 - The petitioner is encouraged to attend the HPC meeting to discuss and answer project questions.
 - If the Certificate of Appropriateness is approved by HPC, the petitioner can proceed with obtaining related permits from the Village of Allouez the following business day.
- The review and approval procedure is identified in Historic Preservation Ordinance Section 248-6. In summary, the decision will be based on the below criteria. Additional standards may be used with the criteria, as adopted by the Historic Preservation Committee.
 - Detrimental changes, destruction, or adversely affecting architectural features of the site or district.
 - Harmonizing new construction with existing exterior and neighboring improvements.
 - Conformance with the purpose, intent, objectives, and design criteria of the Historic Preservation Plan.
 - Ability and expense related to reproducing old, unusual or uncommon design, texture, and/or material.
 - Detrimental loss to the general welfare of the public if an architectural or historically significant building is demolished.
 - Self-created hardships or difficulties when demolishing a deteriorated building or structure.
