**DOSE OF REALITY**  
 PREVENT PRESCRIPTION PAINKILLER ABUSE IN WISCONSIN.

A message from Wisconsin Department of Justice and the Wisconsin Department of Health Services

## Prescription Drug Take-Back Day

On **October 26<sup>th</sup>, 2019**, the Wisconsin Department of Justice (DOJ) will coordinate a Prescription Drug Take Back Initiative throughout Wisconsin. The Prescription Drug Take-Back Day goal is to provide a safe, convenient, and responsible means of disposal of prescription medications, while also educating the general public about the potential for abuse of these medications. Unused prescription medications in homes create a public health and safety concern, because they can be accidentally ingested, stolen, misused, and abused.

Unused or expired medicine should never be flushed or poured down the drain. Removing potentially dangerous pharmaceutical substances from our state's medicine cabinets helps to prevent them from going into our water supply. Water reclamation facilities are not designed to remove all of them and trace amounts of pharmaceuticals are showing up in rivers and lakes around the world.

**No businesses allowed.** All waste pharmaceuticals must be generated by a household.

**Bring:** Prescription (controlled and non-controlled) and over-the-counter medications, ointments, patches, non-aerosol sprays, inhalers, creams, vials and pet medications.

**Do Not Bring:** Illegal drugs, needles/sharps, aerosol cans, bio-hazardous materials (anything containing a bodily fluid or blood), mercury thermometers, personal care products (shampoo, soaps, lotions, sunscreens, etc...), household hazardous waste (paint, pesticides, oil, gas).

- Participants may dispose of solid, non-liquid medication(s) by removing the medication from its container and disposing of it directly into a disposal box or into a clear sealable plastic bag. Plastic pill containers should not be collected. Blister packages are acceptable without the medications being removed.
- Liquids will be accepted during this initiative. However, the liquids, creams and sprays must be in their original packaging and evenly distributed within the boxes of collected solid prescription medications. *Liquids without the original packaging will not be accepted.*
- Illicit substances such as marijuana or methamphetamine are not a part of this initiative and should not be placed in collection containers.
- All participants must retain possession of their own medication during the surrender process. Law enforcement personnel should not handle the medications at any time.

In coordination with the Brown County Drug Task Force and the WI Department of Justice, the Village of Allouez will be accepting unused/unwanted prescriptions and over the counter medications for proper disposal. For further information please visit the website <https://doseofrealitywi.gov/>

**When: Saturday, October 26<sup>th</sup>, 2019, from 8:00A.M.-2:00P.M.**

**Where: Allouez Village Hall  
1900 S. Libal St.  
Green Bay, WI 54301**

Contact DEO Jason Vogel at (920)448-2800 Ext. 109 or by e-mail [vogel\\_jp@co.brown.wi.us](mailto:vogel_jp@co.brown.wi.us) with any questions. If you are unable to attend on this date the Village of Allouez has a permanent drop off location at the village hall open during all business hours. The green Med Return box is pictured below.

# SEPTEMBER POLICE INCIDENTS

## Brown County Sheriff's Office

### Village Activity Summary

### Dispatched and Generated Calls for Service

Deputies are assigned to calls for service via two main avenues. The first is when someone calls the Sheriff's Office and requests deputies for some reason. The second type of call are those in which the deputy has initiated themselves. Examples of deputy-initiated calls for service would be things like traffic stops, park checks, etc. Below is a summary of the calls for service in the Village of Allouez .

Call For Service Statistics
