Re: ID 4517-06-71
Village of Allouez
Libal Street
STH 172 - Kalb Avenue
Brown County

Please join us for the first public involvement meeting to discuss the proposed improvements for Libal Street between STH 172 and Kalb Avenue.

The meeting is scheduled for Wednesday, September 22, 2021, from 5:30 to 7:30 P.M., at the Village of Allouez Village Hall, located at 1900 Libal Street. A brief presentation is scheduled to begin at 6 P.M. The remainder of the meeting will follow an informal, open house format allowing you time to review the displays and discuss your questions and concerns with project representatives.

The proposed project will reconstruct Libal Street from STH 172 to Allouez Avenue and replace the existing pavement from Allouez Avenue to Kalb Avenue. The preliminary design of the reconstruction section from STH 172 to Allouez Avenue will investigate options for roadway widths, bike lanes, parking, and sidewalks. New storm sewer will be constructed in this section. New sidewalk is proposed between Greene Avenue and Allouez Avenue on the west side of Libal Street. The pavement replacement section from Allouez Avenue to Kalb Avenue will construct new asphalt pavement while maintaining the existing curb and gutter and existing sidewalk. Existing curb and gutter and sidewalk in poor condition will be replaced as necessary. New sidewalk is proposed north of Beaupre Street to Kalb Avenue on the east side of Libal Street. The existing storm sewer will be reviewed, and spot repairs completed as necessary. The proposed improvements will be funded with 80 percent federal funding and 20 percent local Village of Allouez funding. The project is anticipated to begin construction as early as 2024.

The purpose of the meeting is to introduce the proposed project and listen to your comments, concerns, or suggestions. This is an opportunity for you to offer input into the design process. Additional public involvement meetings will be held in late spring 2022 and fall 2022 to gather input on the proposed improvements as the design is further developed.

We look forward to meeting with you. If you are deaf or hard of hearing and require an interpreter, you may request one by contacting me at least three working days prior to the meeting. Wheelchair accessibility is available at the meeting site.

Project Web Site

Please visit <https://www.villageofallouez.com/libal-street-improvement-project/> to visit the project Web site for additional information, including displays that will be shown at the public involvement meeting. Additionally, we encourage you to share this information with others that may be affected by or have an interest in this project.

If you have any questions or concerns that may assist in the development of this project, we encourage you to attend the meeting. If you cannot attend this meeting or would like additional information, feel free to contact the project staff or complete the enclosed comment form. Your input will help us deliver a successful project that will serve the transportation needs of the area and we encourage you to provide comments by October 6, 2021, to either of the project staff listed below:

Brian Andreas, P.E.
Consultant Project Manager
Strand Associates, Inc.®
910 West Wingra Street
Madison, WI 53715
Phone: 608-251-4843
E-Mail: brian.andreas@strand.com

Sean Gehin, P.E.
Director of Public Works
Village of Allouez
1900 Libal Street
Green Bay, WI 54301
Phone: 920-448-2802
E-Mail: seang@villageofallouez.com

Persons with a concern for or knowledge about historic buildings and structures and archaeological sites are encouraged to provide comments.

We look forward to talking with you.

Sincerely,

STRAND ASSOCIATES, INC.®

Brian M. Andreas
