

Allouez Restaurants and Bars

The Village of Allouez is proud of the many restaurants and bars that call our community home. We have listed these businesses and the services they are currently offering to help everyone continue showing support and appreciation during this time. All places are assumed to be working with online food ordering companies (e.g. Uber Eats, Grubhub, EatStreet, etc.). Please remember to tip staff and drivers.

The purchase of gift cards and mentioning your favorite place on social media are also good ways to show support. (Information updated 04/13/2020)
